Game Instructions

Play this game
with a parent/
teacher or friend.

This game
is for 2
Players

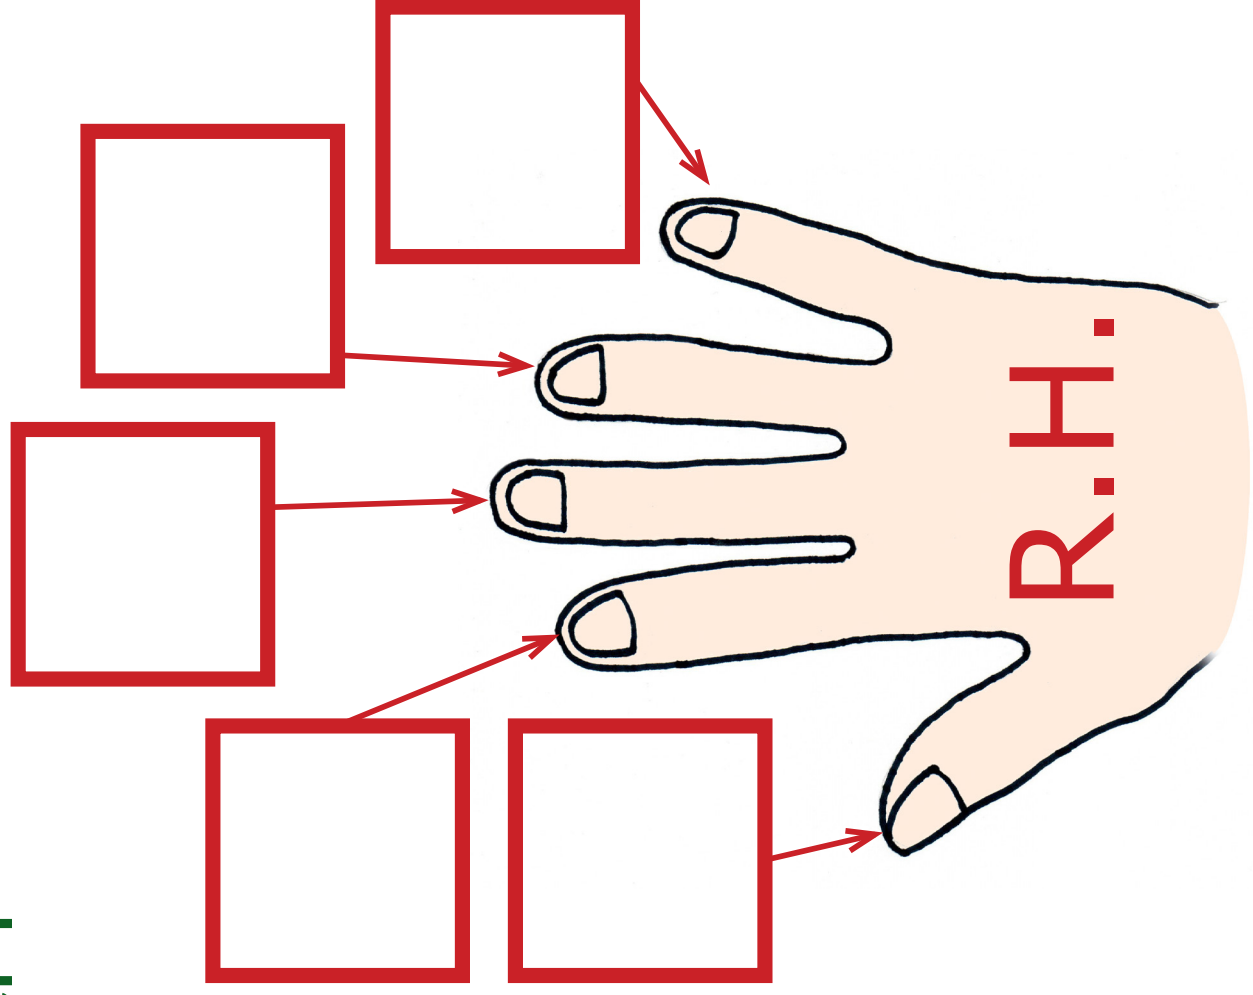

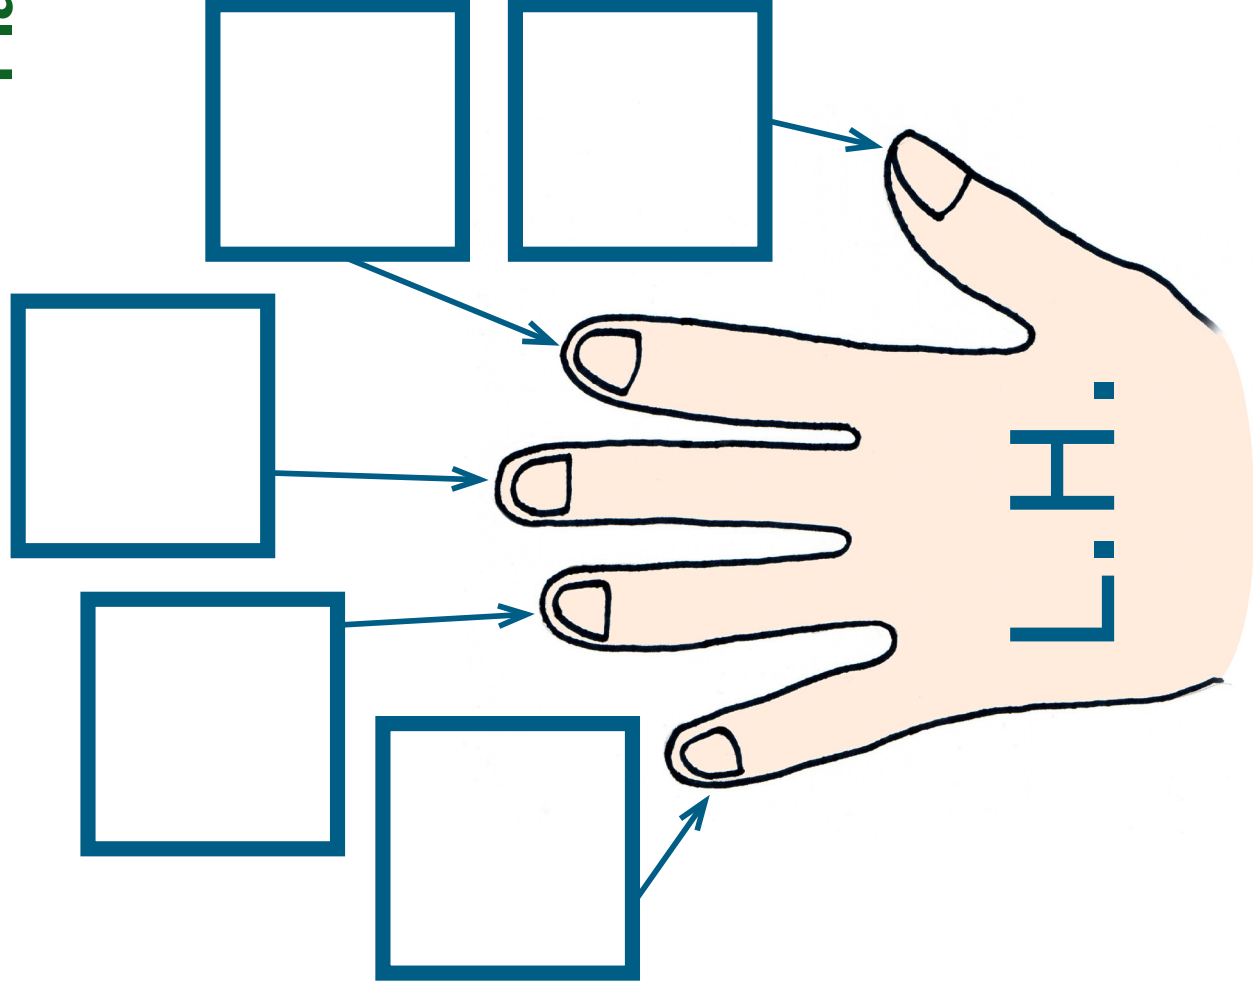

This game uses the Piano Hands
Player 1 and Player 2 game boards
and the Number Cards.

- 1 One person has the Piano Hands Player 1 game board and one person has the Piano Hands Player 2 game board. Shuffle the Number Cards and put them into a pile face-down.
- 2 Players take it in turns to take a Number card from the top of the pile of Number Cards and place it on to one of the correct finger squares on their game board.
- 3 The winner of the game is the player that fills all of the finger number squares on their Piano Hands game board with the correct Number Cards.

Note: If players have taken all of the Number Cards in the pile before a player has won the game, then you can shuffle the Number Cards and place them into a pile face-down again.
